# Flexadin<sup>®</sup> Advanced

## UC-II

UC-II allows the immune system to gradually become desensitized to collagen type II, and thereby helps reduce clinical signs, pain and inflammation through a process called **oral tolerance**.

**UC-II**

Undenatured collagen type II

Helps reduce **pain and inflammation**

+ anti-inflammatory effect of *Boswellia serrata*\*

**1 CHEW PER DAY NO MATTER THE ANIMAL'S WEIGHT**
